**BUILDING STRUCTURAL STABILITY CERTIFICATE**

This is to certify that I have inspected the institution building of Sri Vidya Secondary School bearing H.No. 2-2-1105/26, Tilak Nagar, New Nallakunta, Hyderabad – 500 044. I have done the structural audit based on the visual observations, visual symptoms & manifestations shown that they have been constructed as per specifications and Indian Standards as per the code 456-2000, Indian standard plain and Reinforced Concrete code of practice (Fourth Edition) ICS91.100.30.0 BIS 2000. All building is safe and sound as on this date.

I have the opinion that the said building is found that there are no indications structural weakness or impairment in the building. I therefore certify that the said building is structurally good sound and their stability will not be endangered as on the date their use as institution building. This certificate is valid for 10 years.
