With reference to the above cited subject, it is to submit that District Educational Officer, Hyderabad District has submitted a letter to the Addl. I have visited M/s. Sri Vidya Secondary School, H.No. 2-2-1105/26/1, Tilak Nagar, New Nallakunta, Hyderabad run by Ekalavya Vidya Samithi and affiliated to CBSE. The school is located on Northern side sub-lane of main road leading from Nimboli Adda T Junction to No. 6 Junction Amberpet, Lane opposite to Salwa Garden function hall and facing towards South. The school is running in its own premises, the building consisting Ground + 3 upper floors. I also enquired neighbors of the school, if they may have any objection to run the school in their locality. The neighbors 1) Sri Girish Ludurkar, 2) Sri Vijay Reddy, 3) Sri V. Shashirekha, 4) Sri Surjit Singh, 5) Sri G. Ramesh, 6) Sri N. Sumalata, 7) Sri Rasheed and 8) Sri Venkat Swamy have informed that they did not have any objection to run the school in their locality. The management of the school also submitted NOC from the neighbors, Self-certification of Annexure-I, building structural, Soundness certificate and Sanitation certificates obtained from the concerned & Self Affidavit duly mentioning the play area and parking details. The management has been providing safe drinking water and better sanitation facility to their students.

In presence of Sri Madhu Sudhan Reddy, Secretary of Sri Vidya Secondary School, H. No. 2-2-1105/26/1, Tilak Nagar, New Nallakunta, Hyderabad and Principal Arathi Jayaram the measurements of school building were taken.

The details of school building measurements are as follows:

4) 3 rd Floor	498 Sq.Mts.

Total buildup area **1992 Sq.mts.**

Thus, the total buildup area Ground + 3 Upper floors come to the extent of 1992 Sq. mts (or) 21441 Sft.
